Re: Extension of the certificate n° EFICR-CER-19-03

The present letter is to confirm that the validity of the certificate **EFICR-CER-19-03** will be extended for a period of six (6) months. This decision is taken in consideration of the extraordinary circumstances related to the ongoing sector-wide funding crisis, and its impact on fundraising efforts and investment prioritisations of HQAI's audited partners.

This extension is provided in conformity with IAF ID 3:2011 regulations (IAF Informative Document For Management of Extraordinary Events or Circumstances Affecting ABs, CABs and Certified Organisations).

The certificate EFICR-CER-19-03, originally expiring on 21 November 2026, is thus valid until **21 May 2027**.

Note that the recertification audit should be completed (decision on renewal of certification taken and reports duly signed) before this date. If granted, the renewed certification will be based on the original recertification cycle.

Yours sincerely,

Désirée Walter
