Re: Extension of the certificate n° SOSNL-CHS-23-07

The present letter is to confirm that the validity of the certificate **SOSNL-CHS-23-07** will be extended from August 2026 until September 2026. This decision is taken in consideration of the extraordinary circumstances related to the sector-wide funding instability, SOS CVI's ongoing organisational redesign and a planned expansion of the SOS CVI's audit scope to include other SOS entities, including SOS Children's Villages The Netherlands.

This extension is provided in conformity with IAF ID 3:2011 regulations (IAF Informative Document For Management of Extraordinary Events or Circumstances Affecting ABs, CABs and Certified Organisations).

The certificate SOSNL-CHS-23-07, originally expiring on 13 August 2026, is thus valid until **27 September 2026**.

Yours sincerely,

Désirée Walter
Executive Director
