

EXTERNAL ENDORSEMENT & RECOGNITION OF CHS AND CHS VERIFICATION

24 September, 2026

ENDORSEMENT/REQUIREMENT							
i.e. concrete/formal requests for adopting the CHS as standard and using its Verification options. It is a higher level of commitment and acceptance.							
Who?	Org. Type	On What?	Required CHS Verification option			Reference	Notes
			Certification	Independent Verification	Self-Assessment		
Canada, Department of Foreign Affairs, Trade and Development, Global Affairs Canada (GAC)	Government/Public	Endorses HQAI CHS certification as a due diligence passport for GAC’s International Humanitarian Assistance projects.	Yes			(in process)	
Denmark, Danish Emergency Relief Fund (DERF)	Government/Public	Requires organisations to adopt the CHS. CHS Certification and Independent Verification automatically qualifies partners.	Yes	Yes		Doc: DERF Funding guidelines	Pages 5-7, 9, 11
Denmark, Ministry of Foreign Affairs/ DANIDA	Government/Public	Independent quality assurance against the CHS is a prerequisite for funding for humanitarian partners. Other strategic partners are encouraged to progressively align with the Core Humanitarian Standard (CHS), recognising its relevance as a quality and accountability framework for both humanitarian and development programming.	Yes	Yes		Doc: Guidelines Strategic Partnerships 2027-2031 With Danish Civil Society Organisations Doc: Strategic Partnerships 2027-2031 Information note	Page 6, 21 Page 11, 20

		CHS audits may be used to substitute relevant parts of a strategic partner review.			Web: Strategic Partnerships 2027-2031 With Danish Civil Society Organisations Cost categories for Strategic Partnerships 2027-2031 Consultation of pre-qualification material for strategic partnership 2027-2031 -Question and answers Questions and answers for the Q&A meeting 10 October 2025 regarding prequalification for SPA 2027-2031	Page 3 Page 8 Pages 9, 10, 11
European Commission, Directorate-General for European Civil Protection and Humanitarian Aid Operations (DG ECHO)	International Organisation	Several references by DG ECHO to the CHS and its external independent verification: “External independent verification or quality assurance certification mechanisms can support and recognise these long-term institutional processes. (...) See, for example, the audit processes based on the CHS.” “DG ECHO will therefore look into ways of supporting common approaches to harmonising due diligence requirements and/or making external independent verification or quality assurance certification mechanisms available or accessible to L/NAs, including through the Enhanced Response Capacity.” Auditors other than HQAI may use HQAI audit information to fill the independent	Yes	Yes	Doc: Promoting Equitable Partnerships with Local Responders in Humanitarian Settings DG ECHO guidance note	Pages 15, 16, 24

		assessment report concerning the fulfilment of the conditions for an EU Humanitarian Partnership Certificate (HPC): “By way of example of possible reliance on other assurance providers, the Auditor could consider, if the organisation has been certified or verified by the Humanitarian Qualitative Assurance Initiative, to rely on it to reply to the relevant questions, provided they have satisfied themselves with the quality of HQAI work”. DG ECHO accepts Humanitarian Partnership Certificate Assessments submitted by HQAI as ex ante auditor.				<u>Terms of Reference HUMANITARIAN Partnership Certificate 2028-2034</u> (section Independent Assessment Report) HQAI Web examples: <u>PP ex-ante</u> of CARE confederation members <u>Combined CHS+ ECHO ex-ante services</u>	Page 14. Paragraph <i>Using the work of other assurance providers.</i>
Germany, German Federal Foreign Office (GFFO)	Government/Public	Germany partner due diligence (quality profile) is designed to take into consideration the CHS. GFFO accepts the 3 CHS Verification options to shorten partner capacity assessment.	Yes	Yes	Yes	Doc: <u>Federal Foreign Office Strategy for Humanitarian Assistance Abroad Document</u>	Pages 15, 39, 40
Ireland, Irish Aid	Government/Public	CHS compliance is an eligibility criterion under Ireland’s 5-year funding scheme for Irish NGOs (2023-2027) (ICSP). Partners have to either be in the process of a self-assessment, be certified or be independently verified.	Yes	Yes	Yes	Doc: <u>Ireland’s Grand Bargain Self Reporting 2025</u>	Page 2
Luxembourg, Ministry of Foreign and European Affairs	Government/Public	Inclusion in Luxembourg’s Humanitarian Action Strategy. Only certified organisations are eligible for financial support by Luxembourg.	Yes			Doc: <u>Luxembourg’s Humanitarian Action Strategy</u> Web: <u>Luxembourg’s</u>	Page 10

						<u>Humanitarian Action Strategy</u>	
Netherlands, Dutch Relief Alliance (DRA)	Non-Governmental Organisation/Pooled Fund	Independent quality assurance against the CHS is a prerequisite for funding.	Yes	Yes		Doc: DRA 2022-2026 STRATEGY Web: DRA - Grand Bargain Web : DRA	Pages 3, 4, 6, 10, 11, 13, 15
Sweden, Ministry of Foreign Affairs	Government/Public	In order to support quality and transparency work, Swedish civil society organisations can apply for up to 80% of their costs for the Humanitarian Quality Assurance Initiative (HQAI) CHS certification.	Yes			Doc: 2025-209 strategy	Page 8
Sweden, Radiohjälpen	Non-Governmental Organisation/Pooled Fund	Applicant and implementing organisations are required to be CHS-certified or possess equivalent documented competence.	Yes			Doc: Main Guidelines Partnerships and International Activities	Page 2
